# 2019 TOURNAMENT INDOOR SHOW HOST PROCEDURE & RESPONSIBILITY

Congratulations on choosing to host your 2019 Tournament Indoor show! We appreciate your support and encouragement of the performing arts through Tournament! This event will serve as an educational and musical experience for hundreds of students, and this event can be a positive and rewarding fundraiser for your booster organization. Please keep your local Region Coordinator “in the loop” with all information through planning and development of your TIA show.

1. Confirm show date with Region Coordinator and Region Schedule
2. Reserve gym(s), parking and other facilities as needed for show
3. Have a contingency plan in case of inclement weather (plan with Region Coordinator/Contract)
4. Complete NJA/TIA WINTER Contract and return with payment
  - a. Include cell phone contact for day of show
  - b. Include an email for questions
  - c. Include unit website – not just generic website
5. Check [www.njatob.org](http://www.njatob.org) Winter/Events to make sure information is correct.
6. Judge Payment – All NJA judges receive cash payment the day of the show from the host, as per NJA/TIA contract. If you need to work out a payment plan with Region Coordinator, communicate this with NJA/TIA Contract, your Region Coordinator, and again no later than January 1<sup>st</sup>.
7. WINDI – We are making every effort to access WINDI via the cloud this winter. Please let us know if we can access your school WIFI and connect directly to the INTERNET. This will require a dedicated password protected portal (faculty use and with no student/guest access) with a upload capability of 25mbps or greater. Please indicate on the contract provided if this is possible and we will contact you about arranging a field test at your facility. If this is not possible we will use our current LAN system.
8. SOUND- The sponsor must provide sufficient audio equipment that is capable of playing CD’s and connection for a digital device.
9. POWER- Electrical power must be provided in judge area, as well as tab/tech table.

Send information via mail, email and website to local band/independent directors, and previous participants, as well as other TIA member units. Also invite neighboring non-TIA units to come and experience Tournament. You are the biggest promoter of your show!
